Historical Stock Price of 10 Popular Companies

The subject matter of this dataset contains the stock prices of the 10 popular companies (Apple, Amazon, Netflix, Microsoft, Google, Facebook, Tesla, Walmart, Uber and Zoom)

Content

Within the dataset one will encounter the following:

-   The date - "Date"
-   The opening price of the stock - "Open"
-   The high price of that day - "High"
-   The low price of that day - "Low"
-   The closed price of that day - "Close"
-   The amount of stocks traded during that day - "Volume"

The stock's closing price that has been amended to include any distributions/corporate actions that occurs before next days' open - "Adj[usted] Close"

Time period - 2015 to 2021 (day level)

Tasks

-   **Exploratory Data Analysis**
-   **Tell a visualization story**
-   **Compare stock price growth between companies**
